From the Executive Director, Debbie Cochran

It is amazing to be at the end of another calendar year at Share Pregnancy and Infant Loss Support. I know the entire staff would concur that it has been an amazing year in so many ways. We are so grateful to all of those who give of their gifts of time, talents and funds to serve our honored mission of caring for families during their darkest days. The loss of a baby can completely disrupt and devastate lives. Our staff considers it a privilege to care for bereaved families and support them while restoring hope and healing in their lives.

Share’s primary mission, for our programs and services, are focused directly on the care of families. Our peer companion program is one way Share provides support in the midst of loss. Our companions may assist in memory making, planning of funeral and memorial services and serving as first responders and caregivers.

Our support groups and various community memorial events provide a way to continue in support of grieving families as they begin to integrate their loss into a new and often different life. We appreciate those who partnered with us by attending our Angel Ball and our Walk for Remembrance and Hope. The support at these events allow us to continue offering support groups, burial service, brick dedication services, candle lighting and other memorial ceremonies throughout the year. Together, we help the bereaved families hold their children in their hearts.

Another part of our mission calls us to be educators and provide resources to others who intend to care for grieving families. Our hope is to educate caregivers, professionals and others in the community with the skills and sensitivity needed to provide the care and support for those suffering the tragedy of perinatal loss.

We are so grateful to have received a full year of grant funding from the Missouri Foundation for Health in training over 100 caregivers throughout the state of Missouri. In addition, we have trained many others in various communities across the country, preparing them to provide perinatal bereavement care in their respective communities. We are hopeful that those who may unfortunately need perinatal bereavement care will have access nearby.

A thread of deep gratitude flows throughout this message. Our entire organization; Board, volunteers and staff stand together fulfilling a mission we fully embrace as an honor and privilege. We are so grateful to those who join with us in support of hope and healing. Thank you!

With hope,

Debbie Cochran, RN
