2017 Share Walk for  
Remembrance & Hope

**OCTOBER 14, 2017 | 9 A.M.**  
**NELSON PARK PAVILION #2 | DECATUR, IL**

*The Share Walk to Remember takes place during National Pregnancy and Infant Loss Awareness Month in October and commemorates the lives of babies lost due to miscarriage, stillbirth and infant death.*

*This walk along the lakeshore will include a memorial service to remember our babies (each child's name will be read) and also to celebrate each life, no matter how long or short.*

*As we gather together to walk in honor of our babies, we keep memories alive and offer support to one another. Whether a recent loss, or one that occurred several years ago, we encourage parents and loved ones to walk the steps our babies will never take.*

HSHS  
St. Mary's  
Hospital

**Registration forms available in the Chaplain's office.  
For information, call (217) 464-2045.**

To allow time for the entire list of babies' names to be printed in the memorial program, registration forms **MUST** be returned by September 15.
